Through many drumfire to, is and snares, we have already come, his grace has brought us save thus far, His Grace will lead us on, the Lord has promised **GOOD** to us his word we take for sure his love, his mercy and his name will reign forever more.

The year 2009 has almost ended, Christmas is just around the corner, would we have come thus far, would we have met the challenges all around us, would we have accomplished much for the year. Would our Children have proper support and care, would they have had good Education, Medical attention, good shelter, feeding, Clothing.

This would not have been possible without God first and your God parents, Volunteers our able coordinators, we remember namely, Mr. Kofo Samuels, Ms. Annet Muller, Mrs. Garbie Krenpec and or Renate Papke, so many others. To God be the Glory for he chose to work through **YOU** as he chose to use **us** as his instruments. Christmas is sharing and you couteure to share with us. We say thank you and your Family may God reward you richly.
